

AELERT REGULATORY CAPTURE WORKSHOPS

Tasmania - Hobart & Launceston - 2024

EVENT DETAILS

This practical workshop will improve the understanding and awareness of regulatory capture amongst practitioners and regulatory leaders and build capabilities to avoid and mitigate against its risks and impacts.

HOBART	Tuesday 3 September
LAUNCESTON	Thursday 5 September
TIME	9:00 AM - 5:00 PM
COST	Free to attend
CAPACITY	25 seats per session

Attendees will be equipped with practical ways to identify risks and mitigate those risks either by behavioral, agency system, procedural or structural modifications. After the workshop we will develop a regulatory capture tool kit and provide ongoing support and guidance for practitioners and leaders through AELERT resources, groups, events, programs and products.
